

Discovery Science Center Summer Financial Aid Application

It is our hope that families and individuals will never be denied participation in Summer Programs due to financial hardships. Our Financial Aid Committee has limited scholarship funds available for those families demonstrating the need for assistance. We understand that asking for financial help can be challenging so we have tried to make the process as easy, confidential, and as fair as possible.

Please complete and return the enclosed forms before June 1st, 2024. The following items are required:

1. Latest four (4) pay stubs
2. Copy of your 2023 income tax returns for everyone in household
3. W-2 Forms for everyone in household who received one
4. Completed financial application
5. Completed Summer Wish List
6. Personal reference or letter from clergy or agency verifying your particular situation (may NOT be from a family member)

Applications without complete documentation will not be considered. Additional documentation may be requested. The Science Center does not award 100% of program cost. Families will be responsible for at least a portion of the program cost.
